

PARTICIPATION INFORMATION

**MAY 5TH, 2007
NOON-MIDNIGHT**

THERE IS A BUZZ IN THE AIR, music emanates from Bagg's Square and you find yourself drawn to the energy coming from Genesee Street. You are immediately struck by the variety of colors, sights and activities happening all at once. From Noon-Midnight the block will be alive with every type of performance and hand crafted art that Central New York has to offer. Once dusk settles on the city the main film festival portion will come to life. This is only the beginning of what we envision the Bagg's Square Festival to be. Please **JOIN US** in the creation of this extraordinary event!
